THIRD SUPPLEMENTAL  
INFORMATION DISCLOSURE STATEMENT

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The documents listed on the enclosed PTO Form 1449 are submitted pursuant to 37 CFR §§ 1.56, 1.97, and 1.98. Copies of foreign or "other" publications are enclosed as necessary.

DE 15 79 582 appears to disclose a holder for storing items vertically. The holder further appears to consist of a base, two side walls, and bars extending between the side walls. It appears that rubber bands or the like extend around and between the bars, possibly to hold items there between.

This Information Disclosure Statement is being filed after issuance of a first Office action, but before the mailing date of a final action under 37 CFR §1.113 or notice of allowance under 37 CFR §1.311. Therefore, in accordance with 37 CFR §1.97(c), submitted herewith is a certification as specified in 37 CFR §1.97(e).

CERTIFICATION

The person(s) signing below certify that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement. 37 CFR §1.97(e)(1).

The identification of any document in the attached PTO-Form 1449 is not an admission that such document is in fact prior art or material to patentability relative to the instant application

An early and favorable action on the merits is respectfully requested.

Respectfully submitted,
